

ALADEE / IAEE CONFERENCE

7th ELAEE BUENOS Aires 2019

INTERNATIONAL
ASSOCIATION *for*
ENERGY ECONOMICS

LATIN AMERICAN ENERGY ECONOMICS

BUENOS AIRES, ARGENTINA - 10, 11 AND 12 MARCH, 2019

Decarbonization, Efficiency and Affordability: New Energy Markets in Latin America

EKLA ENERGY CONTEST

Students wishing to participate of the EKLA Energy Contest must submit (1) a poster that briefly describes the research or case study online through the conference website 7elaee.aladee.org before **October 31, 2018**; and (2) a social media post in “public” with the poster or a summary of your poster with the hashtags **#7ELAEE #ALADEE #EKLAINEnergy** tagging **EKLA KAS** (Twitter: [@ekla_kas](https://twitter.com/ekla_kas); Facebook: [@eklakas](https://facebook.com/eklakas). Instagram: [@eklakas](https://instagram.com/eklakas)) and **ALADEE** (Twitter: [@aladeeorg](https://twitter.com/aladeeorg); Facebook: <https://www.facebook.com/groups/ALADEE/>).

In case posters are approved by the Regional Programme Energy Security and Climate Change in Latin America (EKLA) of the Konrad Adenauer Foudation (KAS) and the Program Committee, authors will be notified by **November 30, 2018**. Posters will be published on the online proceedings in the IAEE and ALADEE websites.

For more information, please visit: 7elaee.aladee.org or write to 7elaee@aladee.org.

KEY DATES

October 31th, 2018	Deadline for abstract submission
November 30th, 2018	Notification of acceptance
January 31st, 2019	Final paper/poster submission
February 15th, 2019	Deadline for author registration
March 11th, 2019	7 th ELAEE Meeting

GUIDELINES FOR POSTER SUBMISSION

Student submissions are encouraged, in the form of papers to be presented during concurrent sessions, and in the form of posters to be featured during the poster sessions. Poster submissions are subject to the same procedures, general guidelines and topics applied to papers.

The term poster submission should be clearly identified at the top of the submitted abstract.

Posters must follow the abstract template found at 7elae.org, and must not exceed two pages in length.

The submission must include the following sections:

- **Overview:** brief presentation of the topic including its background and potential significance
- **Methodology:** how the matter was addressed, what techniques were used
- **Expected results:** Key findings
- **Conclusions:** Lessons learned and implications
- **References**

PREFERRED TOPICS

Abstracts must be focused on one or more of the following conference topics:

- **Electricity Markets:** Renewable Integration, capacity markets, flexibility, storage, intra-day markets, cross-border effects.
- **Energy Demand:** demand elasticity, energy efficiency, behavioral economics.
- **Energy and development:** poverty and sustainability; universal access, affordability.
- **Climate Change:** promoting renewable energy and energy efficiency, electric vehicles, deep decarbonization.
- **Energy and Macroeconomics:** international trade, innovation, growth of investments in new technologies; fiscal impacts of the energy sector, energy subsidies.
- **System Integration:** Interaction of different energy sources, sector coupling, international interconnections.
- **Regional Energy Integration:** Infrastructure and renewable energy.
- **Geopolitics of Energy:** Shale oil and shale gas in LATAM, deep water production.
- **Energy and Finance:** Climate risks, Financial markets, investments, hedging, funding of RES, insurance markets.
- **Country Studies:** energy transition, general lessons, developing and emerging countries
- **Energy Policy:** Law and economics, network regulation, international institutions.
- **Disruptive Innovation:** Business models, technological change.
- **Energy and Transportation:** Electrification, hydrogen, biofuels.

METHODS

- Econometric studies
- Field experiments, lab experiments
- Surveys, conjoint analysis
- Techno-economic bottom-up models
- General equilibrium, macro models
- Game-theoretical methods
- Simulations (e.g. agent based models)
- Interdisciplinary research (e.g. law and economics, political economy)
- Business cases / case studies / benchmarking

PRESENTER ATTENDANCE AT THE CONFERENCE

The abstract cut-off date is **October 31st, 2018**. For this contest, the poster must be of single authors. For that reason, each student winning the contest must be registered and attend the conference to present the poster. The corresponding author submitting the abstract must provide complete contact details - mailing address, phone, e-mail, etc. Authors will be notified by **November 30th, 2018** of the status of their presentation.

Authors whose abstracts are accepted will have until **January 31st, 2019** to submit their final posters for publication in the online conference proceedings. No author should submit more than one abstract as its single author. If multiple submissions are accepted, then a different author will be required to pay the registration fee and present each paper or poster. Otherwise, authors will be contacted and asked to drop one or more paper(s) or poster(s) for presentation.

Chair of Program Committee: **Dr. Fernando Navajas**
